

Jesus asks a Question

What will it benefit a man if he gains the whole world yet loses his life?  
Or what will a man give in exchange for his life?

Matthew 16:21-28

Jesus gives us a new Identity.

There is a huge difference between how the world describes Jesus and how disciples do.  
It is only by the work of the Spirit that one can come to know Jesus beyond an historical figure.  
The supernatural work of salvation is to move into the sustaining work of His church.

Jesus compels us to obey with Intensity.

Following Jesus His way does not seem logical, but it is always vital.

The Savior who came to give us life asks us to be willing to die.

It is the enemy who lies to us and convinces us to rely upon the riches of the world over the riches of His glory.

Jesus expects us to be people of Integrity.

If we identify with Him, we must also follow Him. Why wouldn't we?
