

Jesus asks a Question

Why do you look at the speck in your brother's eye but don't notice the log in your own eye?

Matthew 7:1-6

Clarity of our Vision.

Do you not see that if you judge people, that is how you are judged?

Do you not see that the standard you expect from others is to be yours as well?

Do you not see that the things you see in others are in you as well?

Do you not see that your witness is revealed in your judgement?

Care about the Speck.

The specks are important when we can clearly see them.

The specks then, are the mutually agreed upon obstacles to spiritual growth.

Are we not all exactly the same?

Galatians 3:27-28 - For as many of you as have been baptized into Christ have put on Christ. There is no Jew or Greek, slave or free, male or female; for you are all one in Christ Jesus.

Costumes are bogus.

The masks we wear are just that, masks!

If you want someone to see the real you, see the real them!

When I compare myself to Christ the masks will always come off.

Take away:

What are some things people do that we judge them for?

When we do something with good intentions, then find out we were judged wrongly for it, how do we feel?

Why do we judge others in the first place?
