

Jesus asks a Question
You of little faith, why did you doubt?
Matthew 14:22-36

What has God done to amaze you?

Without faith we will have no supernatural Expectations

What we did yesterday will be the same as we do tomorrow.

The truths we learn do not stick because they stay in the head.

Our responses will be fearful, doubtful, or even spiteful, but not faithful.

Without faith, we will do nothing Exceptional.

Hebrews 11:6 says we need faith to please God.

Peter did great for a while but then he had to make a choice.

The walking made him special, the wind made him fearful.

Without faith we will lack spiritual Excitement.

Mark tells us the disciples had hard hearts (6:51-52).

But the men of the town did what?

They recognized Him.

They told others about Him.

They took others to Him.

They reached out to touch Him.

What is the difference between belief and faith?

What causes you to doubt the most?

What are you afraid of?

Would you describe Peter as being bold or as a complete Failure? Explain?
